Roof House competition

Category	Competitions Public Buildings	Authors Alexander Poroshkin
Location	Moscow	
Year	2011	

In 2011, the bureau participated in the best design project competition for the showroom and sales office of NLK Domostroenie in the territory of ARTPLAY Design Center.

The contestants had to design a spectacular two-storey building, combining the functions of a show room and a comfortable workspace, placing it on the roof of one of the low-rise buildings of ARTPLAY center.
